

Bal Vihar Vision

- Promote, instill and foster Indian culture in our children ages 5 through 12 through education, practice, and events.
- For youths beyond 12 year age, teach leadership skills and to be good role model
- Participate in the community service.
- Our children to be better citizens and represent our culture and heritage.
- Understand other cultures by visiting their facilities and by interfaith dialogues.

Due to increased children and youth participation in Bal Vihar school activities and current space limitation, Bal Vihar school is expected to be relocated from current location to newly acquired Hindu Temple land where building construction will start soon. This multimillion dollars project for the temple requires Bal Vihar financial support.

Our future needs:

- **Expand our class room offerings from 16 to 32 (Every Sunday)**
- **Summer programs focusing on community volunteering.**
- **Reach more audience from St Louis region and target goal of 400 students in 5 years. Partner with other language schools.**
- **Offer more for the parents, community activities, Yoga, students-parents discussions.**

Please Donate

Balvihar would like to support Hindu Temple of Saint Louis. The cost of construction for the new facility may exceed \$2.0 Million.
